Forecast for Tuesday 11 Aug 2020

Weather: Some fog patches in valleys at first but this will soon burn off. Scattered thundery showers will push up from the south through the day, these likely to be heaviest through the morning. Cloudy outside of showers but with some bright or sunny spells. Becoming largely dry into the evening.

Chance of cloud free mountain/hill tops above 800m: 80% but chance of lower cloud in thundery showers.

Visibility: Generally good, temporary reductions in showers.
